

## HARRY STYLES GENERAL ADMISSION TICKET LINE

- On Tuesday, June 5, sequentially numbered wristbands will be distributed beginning at 8:00 AM on Victory Plaza. Wristbands will be distributed until 5:00 PM.
- A starting number will be randomly picked at 5:15 PM; this will be announced and displayed outside the entrance on the plaza.
- The starting number will be drawn randomly at 5:15 PM by a fan. The fan holding the wristband that matches the starting number drawn will be first in line (i.e. if #'s 1 - 100 were issued and number 10 was drawn, the line would start with 10, then 11, 12, 13 through 100 then 1-9). When the starting number is announced, the line will shift accordingly.
- Beginning at 5:30 PM, all fans with GA tickets and a wristband should begin lining-up in numerical order, beginning with the announced number. The line will be escorted into the GA Pit Area in front of the stage approximately 10 minutes before the rest of the patrons are allowed to enter the venue\*.
- Anyone who receives a numbered wristband between 8:00 AM and 5:00 PM has a chance to be first in line to enter the Pit Area.
- Patrons must have a wristband AND GA ticket in their possession in order to enter the GA Pit Area.
  - Wristbands will be issued and affixed to the patron's wrist only after the patron's ticket has been verified.
- The purpose of the random number distribution is to ensure that all patrons have the same chance of being first in line, **eliminating the need to camp out**. This policy also helps to ensure customer safety and provides for an effective means of crowd control.
- Patrons arriving after 8am on the day of the show who would like to wait on-site will be directed to Level 1 of Silver Garage (located on corner of Olive St. & Victory Ave) where a waiting area will be setup. This is only available beginning at 8am on Tuesday, June 5.

The above procedures will be implemented and supervised by arena personnel.
